Re: Addition of Materials to the Band Assembly Record

Dear Clerk of the Assembly Smith,

I am requesting that the enclosed letter be distributed to the Band Assembly members pursuant to 9.1(c) of the Rules of Procedure for Band Assembly ("Rules"). Under Rules 1.2(e) and 7.8(f), as the letter has been filed with the Clerk of the Assembly, it will be considered a Band Assembly record. I expect this letter to be included with the minutes as the Band Assembly shall maintain minutes that contain the full, true, and correct record of all proceedings, according to Rule 10.1.

Miigwech,
