Re: Nomination of Leana DeJesus for the Corporate Board of Directors

I am writing to formally withdraw the nomination of Leana DeJesus for the Corporate Commissions Board. After thoughtful discussion and consideration, Leana has decided to step back from this opportunity at this time due to personal and professional obligations that require her full attention.

This decision comes after careful thought, with the understanding that the timing is not ideal for her to take on this responsibility. We are confident that Leana will continue to find meaningful ways to contribute to our community in the future, and we remain grateful for her continued dedication and support.
