Re: Nomination for Daniel Boyd to Serve on Corporate Board

Dear Honorable Members of the Band Assembly:

I am writing to nominate **Daniel Boyd** for the At-Large position on the Mille Lacs Corporate Ventures Board of Directors.

Daniel brings nearly 30 years of experience working for the Mille Lacs Band, including leadership roles within both Grand Casino Mille Lacs and the Community Development Housing Department. Through that time, he has built a strong understanding of Band operations, financial management, and the importance of accountability in serving Band members.

In his current role as Executive Director of Housing, Daniel oversees housing operations, budgets, and compliance. His experience managing grants, budgets, and large teams—along with his work developing policies and maintaining regulatory standards—has given him a solid foundation in fiscal responsibility and governance.

Daniel also brings valuable experience from his time at Grand Casino Mille Lacs, where he held multiple leadership roles and was responsible for managing staff, budgets, and revenue-generating departments.

He is committed to the long-term success of the Band and values making decisions that support future generations. I believe his experience, leadership, and understanding of Band systems would make him a strong addition to the Corporate Board.
