Re: Administration Policy Board Minutes (for Band Assembly) Dated September 12, 2024

Dear Assistant Commissioner of Administration Costello:

I have signed the Administration Policy Board Minutes (for Band Assembly) dated September 12, 2024, subject to two line-item vetoes. First, I have vetoed the \$400,000 requested appropriation of Investment Income for FY 2024 Information Systems (107-2250). Second, I have vetoed the \$115,000 requested appropriation of Permanent Initiative funds for FY 2024 CMD Renovation (XXX-NEW). The purposes for my line-item vetoes are (1) I have yet to receive clarity on the funding sources, and (2) I have not yet seen a sufficient plan for either project. Please follow up accordingly.
