WHEREAS, in the administration of government services to individuals within the jurisdiction of the Band, it may be within the best interests to provide a structured recreational activity program to employees during normal government hours of operation; and,

WHEREAS, many technical considerations must be addressed prior to the decision to implement a permanent recreation program.

NOW THEREFORE, pursuant to the authority vested in me as Commissioner of Administration, I, David Aubid, do hereby order the rescission of Commissioner's Order 7-84 and the acceptance of the development of a trial recreational program for Band employees.

BE IT FURTHER ORDERED, that any employee who wishes to participate in any duly sanctioned employee recreation program be allowed to do so, provided that the delivery of services critical to individuals under the jurisdiction of the Band are not compromised to any material degree and, provided that a waiver be signed in which said employee declares to hold the Band harmless from any liability arising from their participation in said activity; and,

BE IT FURTHER AND FINALLY ORDERED, that the Administration Policy Board analyze the merits of the trial program and ascertain whether to develop guidelines to effectuate a permanent recreation program.
