

Mille Lacs Band of Ojibwe Indians

December 3, 2025

Dear Band Members,

Aaniin, Boozhoo! As the elected officials of the Mille Lacs Band of Ojibwe (“Band”), we are pleased to share with you that the December, 2025, gross combined Tribal General Welfare Exclusion Act compliant programs (“GWE”) payment and the Per Capita payment, is increased.

In order to be in compliance with the Band’s Revenue Allocation Plan (RAP), the December Per Capita payment must be adjusted (trued up, or trued down). The January, 2026, Per Capita and GWE payment will revert back to that which it was in November, 2025.

Please read the full GWE program details on the Band’s website at www.Millelacsband.com / Government / Resources / Office of Management and Budget / then click on Eligible Band Member General Welfare Assistance Program, on the right.

As your elected officials, it is our duty to continuously seek out opportunities to improve the lives of all Mille Lacs Band Members. You and your family members will always be our highest priority.

Happy Holidays & Miigwech,
