Permit and Contractor Requirements:

Permits: Contractors are responsible to attain all necessary permits for all work, including Mille Lacs Band of Ojibwe (MLBO) Permits.

Bonding Requirements: In accordance with 2016 MLB Project Specification Book.

MLBSA Section 17 Procurement Statute Ordinance 03-06 states the following:

Section 17. Bonding

- A. In construction contracts that are federally funded or deemed commercial, bonding is required. These types of contracts shall demand a performance bond not less than twenty (20%) percent of the total contract price, but not to exceed \$500,000.00. A performance bond requirement is to ensure that, if a contractor defaults, the Band may request that the surety pay the expense incurred to complete the construction contract.
- B. In addition, all construction contracts identified as federally funded or commercial shall be covered by a payment bond equal to one payment installment or cover subcontractors/suppliers as determined by the Contracting Officer or his agents. The payment bond must contain language stating that if the contractor fails to make a payment to its subcontractors/suppliers, the surety will make the necessary payment.
- C. For all Band funded residential construction projects, a performance bond is required for contracts in excess of \$100,000.00.
