The Mille Lacs Band of Ojibwe, Community Development office will be accepting sealed bids for supply and delivery of pulverized black dirt to multiple project sites in Districts I, II and III. Bids will be due Wednesday, August 18, 2021 at 3:00 PM. Bids received will be opened and qualified by the Mille Lacs Band of Ojibwe on Thursday, August 19, 2021 at 10:00 am.

Work Scope:

Contractor to supply and deliver pulverized black dirt to multiple project sites in Districts I (Onamia), IIa (Isle), II (McGregor/ East Lake) and III (Hinckley/ Sandstone/ Lake Lena) as requested by Earthworks staff.

The anticipated material amounts to be delivered for each District are as follows, but may be less:

400 cubic yards of black dirt for District II
800 cubic yards of black dirt for District III

Timely Delivery Expectations: Contractor must deliver dirt to the requested site(s) by the date requested for delivery; or schedule an alternate date for delivery with the Earthworks Supervisor. If the contractor fails to complete a requested delivery by the date scheduled with the Earthworks Supervisor and the request was made 48 (forty-eight) hours in advance; the first two (2) occurrences will result in written warnings. Upon the third such failure to provide delivery as previously described, the contractor will be considered in default and their contract will be cancelled immediately with payment due only for any dirt delivered to date.

Interested bidders shall contact Chad Dunkley, Earthworks Supervisor at 320-282-9165 (cell) or Mike Moilanen, Director of Planning and Project Management at 320-630-2623 with any questions.
